The Oklahoma Family Support Network is an evolving statewide Network coordinated by the Family Support and Prevention Service Division of the Oklahoma State Department of Health. Together, the Network and its members seek to strengthen families and promote their well-being, self-sufficiency, and positive parenting through partnership and support.

## At a Glance

- Year founded: 2018
- Year joined NFSN: 2018
- Network type: Public Funder-Coordinated

## Network Functions

- Connecting Members
- Training/technical assistance
- Working on systems change/policy/advocacy
- Marketing/public awareness activities
- Shared data management system

## Highlights

- The Network has flourished this year and has finalized Network bylaws, Memoranda of Understanding, branding guidelines, and Membership requirements.
- Network has a formal partnership with a private funder that identified American Rescue Plan Act funding to implement FRCs in rural communities. The private funder has awarded \$4.5 million to 8 agencies that will cover 23 counties.
- The Network scheduled Standards of Quality Certification Trainings for the year and created a statewide press release to announce upcoming dates. These trainings are hosted at no cost to providers.
- The Network successfully completed site visits to all FRCs.
- The FRCs completed continuous quality improvement plans and have seen success with increased service quality.
- The FRCs have begun incorporating screeners for all families and providing individualized services utilizing the Colorado Family Support Assessment.
