Family Resource Center Association
Connecting Resources, Impacting Lives

Founded in 2011, the National Family Support Network (NFSN) is a membership-based organization comprised of state networks that focus on strengthening and supporting families. Its mission is to connect these networks across the United States to promote quality practice, peer learning, mutual support, and effective policies and systems that support positive outcomes for children, families, and communities.

2nd National Summit on the Standards of Quality for Family Strengthening & Support

October 27-28, 2016
History Colorado Center
1200 Broadway | Denver, CO

Co-hosts: National Family Support Network
Family Resource Center Association (Colorado)

2016 NATIONAL STANDARDS SUMMIT

GOALS

- To focus attention at the national, state, and local level on the value of the Standards and quality practice with families
- To provide an opportunity for peer sharing on effective Standards implementation at the various levels of responsibility - funders, network leaders, programs
- To provide opportunities for those with shared interests to learn about each other's work and network
- To demonstrate a broad base of stakeholder support for advancing the Standards at the local, state, and national levels
- To energize and motivate all stakeholders to continue this groundbreaking work
